**OPERATIONS/STATE OF COMPANY'S AFFAIRS**

The year got off to a slow start due to the lockdown on account of the COVID-19 pandemic. Due to government regulations, the company was forced to close manufacturing operations for the first one and a half months of the year. The company only restarted manufacturing on May 10th and that too with limited manpower.

The sales in the first quarter accounted for barely 10% of total sales for the year. Sales steadily increased on a quarterly basis as restrictions were relaxed both across India and globally. The company had a very strong fourth quarter as both domestic and export markets performed well and sales were strong across all segments. Sales would have been even higher; however certain export shipments could not be dispatched during March due to non-availability of containers. This is a global problems which still persists.

Sales increased 13.4% on a y/o/y basis despite one and a half months of no production or dispatch. This was also due to a low base as sales in FY 19-20 were affected by the automotive recession and the abrupt lockdown in the middle of March. Sales for FY 20-21 were nearly back to FY 18-19 levels despite the fact that they were effectively achieved in 10.5 months.

The company's cost reduction efforts across all areas hugely benefited the bottom line. Additionally, increased focus on more profitable segments increased the operating margin. Export sales realization was boosted by the weak rupee.

Skyrocketing commodity prices negatively impacted the bottom line. Steel prices increased by nearly 30% during the year and continue to increase. These increases are compensated by domestic customers but not by export customers. That too domestic customers generally compensate with delayed effect. Additionally, suppliers of bought out components and consumable items also demanded price increases across the board and these increases are not compensated by most customers. The steep increase in petroleum and paper products also led to an increase in the cost of paint and packing material. The company continues its value engineering efforts to try and offset this impact.

**TRANSFER TO RESERVES**

There was no transfer made to any Reserve during the year.

**DIVIDEND**

The Board of Directors has recommended dividend of @ Rs. 2/- per share (20%) on the equity shares of the Company for the financial year 2020-2021.

**OUTLOOK**

The first quarter was impacted by the second wave of the COVID-19 pandemic and the lockdown in Maharashtra and Nashik which affected manufacturing activity. The effect of local lockdowns and restrictions on shop timings was severely felt by the aftermarket segment.

Though the situation has improved, things remain highly uncertain with the Delta variant spreading across the globe and also talk of a third wave in India.

Commodity prices, namely steel and petroleum continue to rise and steel mills are expected to hike prices even further. There has been a sustained quarterly increase in steel prices from October 2020 onwards.

Additionally, the Merchandise Exports from India Scheme (MEIS) is being replaced by the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme. Realisations under MEIS were ~ 2.99 % of FOB value of export turnover whereas that under RoDTEP will be under 0.5%.

The company is continuing its efforts to expand its product offering and target new customers. These efforts are somewhat hampered by limitations on travel and also the fact that many companies have put new supplier development activities on hold due to the pandemic. Despite these setbacks, management is trying to identify new customer segments for both new and existing products.

#### **MATERIAL CHANGES AND COMMITMENTS AFTER THE END OF THE FINANCIAL YEAR:**

There have been no material changes and commitments, affecting the financial position of the Company, which have occurred between the end of the financial year and the date of the report.

#### **NUMBER OF MEETINGS OF BOARD OF DIRECTORS**

4 (Four) meetings of the Board of Directors of the Company were held during the year.

#### **DIRECTORS AND KEY MANAGERIAL PERSONNEL**

In accordance with the provisions of Section 152 of the Act and Articles of Association, Mr. S. C. Saran (DIN: 00032194) Director of the Company, retires at the ensuing Annual General Meeting and being eligible offers himself for re-appointment.

In terms of Section 203 of the Act, the following are the Key Managerial Personnel (KMP) of the Company:

1. Mr. Vijay Pathak, Executive Director & COO
2. Ms. Devaki Saran, Executive Director & CFO
3. Ms. Sunita Nisal, Company Secretary

The Board at its meeting held on August 13, 2021 reappointed Ms. Devaki Saran (DIN 06504653) as a Wholetime Director designated as Executive Director and CFO and Mr. Vijay Pathak (DIN 02700611) as a Wholetime Director designated as Executive Director and Chief Operating Officer (COO) of the Company with effect from August 14, 2021 and October 9, 2021 respectively for a period of 3 and 3.5 years respectively.

The necessary resolutions seeking approval of the Members for the reappointment of Mr. Vijay Pathak (DIN 02700611) as Director and Wholetime Director designated as Executive Director and COO and the reappointment of Ms. Devaki Saran, as Wholetime director designated as Executive Director & CFO have been incorporated in the notice of the forthcoming annual general meeting of the Company along with a brief profile about their qualifications and experience.

**'Annexure II' - To Directors' Report****A. Conservation of energy, technology absorption, foreign exchange earnings and outgo: [Rule9.10(3)]****1. Conservation of energy:****i. Steps taken / impact on conservation of energy, with special reference to the following:**

- Installation of a small compressor for overtime or holiday working so as to reduce electricity consumption.
- Reusing of old tooling for preliminary operations to reduce tool consumption.
- Effective utilization of heat treatment furnaces to minimize turning the furnaces on and off and ensure full loads.
- TPM (Total Productive Maintenance) initiative to repair old machines and reduce oil and other leakages.
- Installation of meters to monitor electricity consumption on a daily basis. Separate meters have been installed for the heat treatment department and machine shop. Management is analyzing what causes spikes in electricity consumption and taking appropriate action.
- Camera installed to measure Power Factor reading and ensure company receives maximum Power Factor Incentive.
- Installation of a separate lower capacity compressor in the heat treatment department. The heat treatment department frequently runs in all three shifts. Previously the company only had only one higher capacity compressor which was run used even only the heat treatment department was operational. This has led to considerable energy savings.
- Installation of LED lightbulbs in place of CFL lightbulbs both of the shop floor and the office. This is an ongoing process as fused lightbulbs are being replaced by LED powered ones.
- High horse power motors on old machines are being replaced by Variable Frequency Drive motors on an ongoing basis.
- Paperless initiative to reduce printing and conserve paper.
- Skylights in the factory ceiling eliminate the need for lighting during the day as far as possible.

**ii. Steps taken by the company for utilizing alternate sources of energy including waste generated**

- Installation of Solar Powered LED Streetlight fixtures.
- Installation of 400 LPD Solar Hot water System at Canteen.
- Installation of a composter and wormiculture for canteen waste.
- Evaluation of installing solar panels is also being carried out.

**iii. Capital investment on energy conservation equipment Rs. NIL**

**AS PER SCHEDULE V OF SEBI LODR: ANNUAL REPORT**

[See Regulation 34(3) and 53(f)]

**MANAGEMENT DISCUSSION AND ANALYSIS****a. *Industry structure and developments.***

- Sales are primarily to 4 customer segments – domestic OEMs, export customers, industrial customers and aftermarket. In FY 20-21, the Company's largest market segment was Domestic OEMs, followed by Export, Aftermarket and industrial customers.
- The Company serves 4 sectors – commercial vehicle, agricultural, off-highway and construction equipment and industrial.

**b. *Opportunities and Threats.***

- The Indian propeller shaft market is dominated by 4 major players who all jostle for market share amongst the major commercial vehicle manufacturers, the differentiating factor being price competitiveness. As a result, margins, are shrinking which is exacerbated by the commodity increases.
- The domestic after-sale market is also crowded by a number of low-cost suppliers supplying unbranded generic components at low prices. The Company was a late entrant to the after sales market and is yet to achieve the brand recognition that can command a significant price premium. However, sales and marketing efforts are paying off and gradually the brand is being recognised as a quality product.
- In the export market, Indian manufacturers have a cost advantage compared to their European and American counterparts. However quality standards are very stringent and monetary penalties for rejections or product failures is very high. Export to the US and Europe has significant potential; however, due to the COVID-19 pandemic many have put sourcing decisions and changes on hold. Additionally shipping costs have skyrocketed in recent months which is causing severe disruption in international trade.
- Several Indian companies are now taking steps to indigenize components that were previously imported which provides an attractive opportunity for Indian manufacturers.

**c. *Segment-wise or product-wise performance.***

- The company operates in a single segment.
- Total revenue from operations in FY 20-21 was Rs. 4466.47 Lakh as compared to 3938.34 Lakh in FY 19-20. Sales increased as export and domestic markets performed well, especially in the last quarter of the year. Agricultural sales were boosted by a good monsoon.

Key Financial Ratios	FY 2020 -21	FY 2019-20	Increase / Decrease ( in % terms)
Debtors Turnover Ratio (Times)	3.67	3.78	-2.91
Debtors Collection Period (Days)	99	97	2.06
Inventory Turnover (Times)	4.19	4.00	4.75
Interest Coverage Ratio (Times)	1.43	1.43	-
Current Ratio (Times)	1.33	1.12	18.75
Debt Equity Ratio (Times)	0.43	0.43	-
Operating Profit Margin (%)	10.29%	1.11%	827
Net Profit Margin (%)	7.13%	0.08%	8813
Return on Net Worth (%)	27.67%	0.38%	7182

- Debtors collection period increased as sales were much higher in the last quarter of the year for which payment had not become due. Therefore debtors outstanding at March 31 was high relative to sales for the year.
- Closing inventory increased as certain export shipments were not dispatched due to the container shortage. Therefore closing inventory increased. Had these been dispatched, inventory turnover would have been even higher.
- Profitability ratios improved due to the increase in profit.

d. **Outlook**

- The first quarter was impacted by the second wave of the COVID-19 pandemic and the lockdown in Maharashtra and Nashik which affected manufacturing activity. The effect of local lockdowns and restrictions on shop timings was severely felt by the aftermarket segment.
- Though the situation has improved, things remain highly uncertain with the Delta variant spreading across the globe and also talk of a third wave in India.
- Commodity prices, namely steel and petroleum continue to rise and steel mills are expected to hike prices even further. There has been a sustained quarterly increase in steel prices from October 2020 onwards.
- Additionally, the Merchandise Exports from India Scheme (MEIS) is being replaced by the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme. Realisations under MEIS were ~ 2.99% of Export FOB value whereas that under RoDTEP will be under 0.5%.
- The company is continuing its efforts to expand its product offering and target new customers. These efforts are somewhat hampered by limitations on travel and also the fact that many companies have put new supplier development activities on hold due to the pandemic. Despite these setbacks, management is trying to identify new customer segments for both new and existing products.

e. ***Risks and concerns.***

- The Covid-19 pandemic continues to remain a threat as new strains of the virus continue to sweep the globe. The third wave has already started to affect Western countries and the effect of this will be seen in the upcoming months. In India experts are also forecasting a third wave from October onwards.
- There are talks of a global slowdown as the growth effect of pandemic stimulus measures in various countries has worn off. There are already signs of slowing growth in several countries.
- Increasing competition and rising costs are also putting downward pressure on margins. The Company is trying to counter this by focusing on operational efficiencies.

f. ***Internal control systems and their adequacy.***

- The adequacy of control systems is reviewed on a monthly basis by the management and assessed quarterly by the internal auditor and the Board.
- The internal control systems in place are more than adequate.

g. ***Discussion on financial performance with respect to operational performance.***

- The Company's cost reduction initiatives have yielded results as the Company was profitable despite the sharp increase in commodity prices.
- Efforts to further improve efficiency continue at all levels and across all departments.

h. ***Material developments in Human Resources / Industrial Relations front, including number of people employed.***

Total number of employees decreased to 168 from 189 at the end of the prior financial year.

## INDEPENDENT AUDITOR'S REPORT

To The Members of

**HINDUSTAN HARDY LIMITED**

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Hindustan Hardy Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to be communicated in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises of the Financial Highlights, Management Discussion and Analysis, Board's Report including annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that :
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. Owing to the nationwide lockdown and continued restrictions on free movement of people, restrictions on opening of offices etc. the Individual notices required to be sent to the shareholders whose dividend amount was lying unpaid with the company for seven consecutive years were despatched on July 29, 2020. This resulted in delay of transfer of unpaid dividend lying with the Company pertaining to the Dividend declared for the year 2012-2013 amounting to Rs. 2,33,973 to Investor Education and Protection Fund -which was thereafter transferred after compliance of the provisions in this regard.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Hindustan Hardy Limited of even date.

### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the Act).**

We have audited the Internal Financial Controls over Financial Reporting of **HINDUSTAN HARDY LIMITED** (“the Company”) as of 31<sup>st</sup> March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and timely preparation of reliable financial information as required under the Companies Act, 2013.

#### **Auditors Responsibility**

Our responsibility is to express an opinion on the company’s internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based

on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on company's internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls, over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding the prevention and timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to the future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations provided to us, the Company has in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over the financial reporting were operating effectively on 31<sup>st</sup> March, 2021, based on the internal financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note of Audit of Internal Controls over Financial reporting issued by the ICAI.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### Note No. 1 – General Information and Significant Accounting Policies :

#### 1 Corporate Information:

Hindustan Hardy Limited is a Public Limited Company listed on the Bombay Stock Exchange. It was incorporated on October 16, 1982 under the Companies Act, 1956. It is engaged in the business of designing and manufacturing of Propeller Shafts and other accessories required for automotive, industrial, agricultural and other applications. The registered office of the Company is located at Nashik, Maharashtra, India.

The Company is operating its manufacturing facility as per the guidelines framed by the Ministry of Home Affairs, the State of Maharashtra as well as Local Administration on COVID-19. In preparation of these results, the company has considered the possible effects that may result due to COVID-19 such as recoverability of assets including inventories & trade receivables. In developing the assumptions relating to future uncertainties in the economic conditions due to COVID-19, it has used relevant internal & external sources of information including economic forecasts and expects that the carrying amount of these assets are recoverable. However, the actual impact of COVID-19 may differ from that as estimated as at the date of approval of these financial results. Management will continue to closely monitor the developments.

#### 2 Basis of Preparation :

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rule, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 the relevant provisions of the Companies Act, 2013 ('the Act').

The financial statements have been prepared on a historical cost basis, except for Defined Benefit Plans – which are measured as per actuarial valuation.

#### 3 Significant Accounting Policies :

##### a. Property, plant and equipment; Capital work-in-progress & Intangible assets :

- i. Property, plant and equipment & intangible assets are stated at their original cost of acquisition / installation ( net of GST credits wherever applicable) net of accumulated depreciation, amortization and impairment losses – if any. Subsequent expenditures are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost to the item can be measured reliably. All repairs and maintenance expenses on assets are charged to profit or loss during the reporting period in which they are incurred.
- ii. Property, plant and equipment or intangible assets not ready for the intended use on the date of balance sheet are disclosed as "Capital Work -in-Progress". Advances

given towards acquisition/construction of fixed assets outstanding at each Balance sheet date are shown under "Capital Work-in-Progress".

- iii. An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.
- iv. The residual values, useful lives and methods of depreciation of property, plant & equipment and intangible assets are reviewed in each financial year and adjusted prospectively, if appropriate.

**b. Depreciation:**

i. Tangible Assets :

- I. Depreciation on assets is provided on straight line method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.
- II. Depreciation on additions to Property, plant & equipment and intangible assets is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.
- III. Depreciation on assets sold, discarded, demolished or scrapped is provided up to the date on which the said asset is sold, discarded, demolished or scrapped.

ii. Intangible Assets :

- I. Intangible assets with finite lives are amortized on straight line method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.
- II. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

**Transition to Ind AS :**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Property, plant and equipment and Intangible assets recognized as at 1 April 2016 measured as per the previous IGAAP and use that carrying value as the deemed cost of respective assets.

**Impairment of non-financial assets :**

The carrying amounts of other non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss, if any is recognised in the statement of profit and loss wherever the

carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. A previously recognised impairment loss if any, is increased or reversed depending on the changes in circumstances, however the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation/amortization if there was no impairment.

**c. Inventories :**

- i. Raw Material / Components :
- ii. Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- iii. Cost is determined on First in First out (FIFO) basis.
- iv. Stores & Spare parts are valued at Cost.
- v. Finished goods and Work in Progress :  
Lower of cost and net realizable value. Cost is determined on absorption basis and include material, labour and production overheads. Material cost for the purpose of valuation is ascertained on First in First out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Cost includes all charges in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads.

**d. Financial Instruments :**

The presentation of financial instruments is as per applicable Ind AS.

**e. Provisions and Contingencies :**

A provision is recognised for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

A contingent liability is not recognized – but is only disclosed, unless the possibility of an outflow of resources is remote.

**f. Foreign Currency Conversion :**

The Company's financial statements are presented in Indian National Rupee (INR) which is also its functional currency.

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction or at the rates that closely approximate the rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

**g. Revenue recognition :**

- i. Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.
- ii. The specific recognition criteria described below must also be met before revenue is recognised.

**iii. Sale of goods :**

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer which generally coincides with the delivery of goods to customers. Accordingly, domestic sales are accounted on dispatch of products to customers and Exports are accounted on the basis of date of bill of lading / delivery terms.

GST is collected on behalf of the Government and no economic benefit flows to the entity and does not result in an increase in equity, consequently revenue is presented net of GST.

Revenue disclosed are net of GST, discounts and sales returns, as applicable.

**iv. Rendering of services :**

Revenue from services is recognized (net of GST , as applicable) pro-rata over the period of the contract as and when services are rendered.

**v. Duty Drawback / MEIS – Export Incentives :**

The export incentives are accounted for on realization basis as there is uncertainty about the actual amount to be realized after due compliances of all the conditions.

**vi. Interest income :**

Interest income is recognized on a time proportion basis that reflects the effective yield on the asset.

**h. Retirement and other employee benefits :****i. Defined Contribution Plan :**

Employee benefits in the form of contribution to Provident Fund managed by Government Authorities, Employees State Insurance Corporation and Labour Welfare Fund are considered as defined contribution plan and the same is charged to the Statement of Profit and Loss for the year in which the employee renders the related service.

**ii. Defined Benefit Plan :**

Retirement benefit in the form of Gratuity, is considered as defined benefit obligation and is provided for on the basis of actuarial valuation as at the date of Balance Sheet. Re-measurement, comprising of Actuarial gain / loss, if any, is immediately recognised in Other Comprehensive Income (OCI) under retained earnings. The same is not reclassified to Statement of Profit and Loss. Prior year comparisons are treated accordingly.

The company has taken a Group Gratuity-cum-Life Assurance Scheme Policy from Life Insurance Corporation of India for future payment of gratuity to retiring employees. The balance lying with LIC of India in this policy is compared with the liability as calculated in actuarial valuation report. Any shortfall in the same is recognized as liability and any surplus is shown as asset.

Provision for Leave Encashment is made on actual basis on the assumption that the same would be payable at the end of the accounting period – if all the employees were to terminate their services.

The company also contributes certain percentage of salary for all eligible employees in managerial cadre towards Superannuation Fund managed by approved trust / Life Insurance Corporation of India.

**i. Borrowing Costs :**

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of such assets up to the date when such assets are ready for intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**j. Taxation :**

Tax expense comprises of current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments

that may become necessary due to certain developments or reviews during the relevant period.

### **Current Income Tax**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **Deferred Income Tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets / liabilities are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

### **k. Leases :**

The determination of whether an arrangement is (or contains) a lease is based on the

substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee :

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

#### **I. Segment Reporting :**

Operating segment is reported in a manner consistent with the internal reporting provided to chief operating decision makers.

The board of directors of the company has appointed Management team which has been identified as being the chief operating decision maker, consists of Chief Executive Officer (CEO) / Chief Operating Officer (COO), Chief Finance Officer (CFO) , Production Manager, Sales & Marketing Manager and Design Manager. They assess the financial performance and position of the Company and make strategic decisions.

#### **m. Earnings Per Share :**

Basic earnings per share is calculated by dividing the net profit or loss for the period from continuing operations attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period from continuing operations attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period - adjusted for the effects of all dilutive potential equity shares.

#### **n. Classification of Current/Non-Current Assets and Liabilities :**

All assets and liabilities are presented as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has ascertained its operating cycle as 12 months for the purpose of Current / Non-current classification of assets and liabilities.

#### **o. Significant estimates and assumptions :**

The preparation of the Company's financial statements requires management to make

judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**p. Classification of Legal matters and Tax litigations :**

The litigations and claims to which the Company is exposed are assessed by management with assistance and support of external specialized lawyers. Disclosures related to such provisions, as well as contingent liabilities, also require judgment and estimations if any.

All estimates mentioned above are further detailed in the corresponding disclosures.
