Notes :

- The above audited results were reviewed by the audit committee and approved by the Board of Directors at their meeting held on May 05, 2015.
- The Company is exclusively engaged in the business of designing and manufacturing of Propeller Shafts and other accessories required for automotive, industrial and other applications. These in the context of Accounting Standard 17 on Segment Reporting, are considered to constitute one single primary segment.
- Previous year/period figures have been regrouped, rearranged or reclassified wherever necessary.
- Figures of last quarter are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the third quarter of the current financial year.
- Consequent to enactment of Companies Act, 2013 (the Act) and its applicability for accounting periods commencing from 01-04-2014, the company has recalculated the remaining useful life of Fixed Assets in accordance with provisions to Schedule II to the Act. In case of Fixed Assets which have completed their useful life in terms of Schedule II of the Act the carrying value (net of residual value) of such assets as on 1st April, 2014 has been adjusted to Retained Earnings and in case of other fixed assets the carrying value (net of residual value) is being depreciated as per straight line method over the re-calculated remaining useful life. The depreciation expenses charged for the year ended 31st March, 2015 is higher by Rs.157.93 lacs, had the company continued with the previously prescribed depreciation rates as per Schedule XIV of the companies act, 1956.
